SECOND PRELIMINARY AMENDMENT

ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

SIR:

Responsive to the telephone conference of February 14, 2001, Applicants submit herewith the requested Terminal Disclaimer.

REMARKS

Applicants would like to thank Examiner Afremova for the helpful and courteous telephone discussion of February 14, 2001. As discussed, a Terminal Disclaimer over parent Serial Number 08/952,820 (now U.S. Patent No. 6,077,504) will place this case in condition for allowance. This Terminal Disclaimer is attached hereto. In addition, Applicants have submitted herewith Form PTO-1449's listing the references considered in the parent case - the references cited by the Examiner and those cited in the International Search Report. As these references have all been considered and are of record in the parent, they have not again been submitted in this case. However, Applicant would like these references to be printed on

the front face of this patent, and for this reasons the attached PTO 1449's are attached.

Should anything further be necessary the Examiner is requested to contact Applicants' below-signed attorney.

Accordingly, in view of the telephone discussion and the attached Terminal Disclaimer Applicants submit that this case is now in condition for allowance. Early notification to this effect is respectfully requested.

Respectfully submitted,
